

Women's Grade Coach 2018

Doyalson Wyee Soccer Club (DWSC) is seeking applications from suitably qualified coaches for our Women's Grade Squad (First grade & Reserve grade) for the 2018 season.

This is an exciting opportunity for anyone wishing to extend their coaching experience by coaching in the Women's Division of the Central Coast Competition.

Established in 1991, the "Wolves" have a successful and proud history.

Our objective is to achieve Premier League status in Our Grade Senior Football teams to allow a pathway for our promising Junior Players to Play in the leading competition within Central Coast Football.

The ideal applicants will have coaching experience of either senior men's or women's teams, have excellent communication and organisational skills, and will be committed to the growth of the Wolves beyond this season.

An ability to work with other grade coaches is also essential.

Relevant qualifications will be favourably considered. Coaching references are required.

Please submit a written application if you would like to be considered for the position.

Within the application it should detail what attributes you would bring to our Club and how that would benefit our Women's grade football and Women's football overall at the club.

An element of the position will also include the development of our Junior Female Players.

Working with Children check is required.

Applications Close Thursday 31st August 2017
